Dear David,

On behalf of the 780 students, Headmaster Curt Masters and our entire Trustee and Campaign teams, thank you so much for making a \$100,000 match challenge to our new Fine Arts and Athletic Fitness Centers. These two new buildings, now complete as of October 8, represent 32,000 and 20,000 additional square feet respectively to our campus and provide the ideal teaching and coaching space for all of our students.

The first \$50,000 of your match gift was received on October 10, 2006 and comes in response to the 19 companies and individuals who have taken advantage of your match challenge so far. Listed below are these generous businesses. We are so grateful to them for supporting this important project in the life of our school. Please encourage them to stop by for a personal visit to see how they have helped make a huge difference among our students.
