Mr. David McGowan
Regent Homes
6026 Nolensville Road
Nashville, TN 37221

Dear David,

Thank you for your \$3,000.00 gift to the Nashville Area Habitat for Humanity (NAHFH) on 01/29/2007. We are honored that you have elected to partner with our agency and sponsor the Hard Hat Build. As a supporter, Regent Homes has permission to list NAHFH on its website.

Your contribution is used by NAHFH to purchase construction materials required to build the Habitat home you are sponsoring for a deserving NAHFH partner family in need of decent, affordable housing.

With support from community members like you, NAHFH has constructed 277 homes for 1,012 Habitat family members since 1985. Currently, the agency is building in Providence Park – NAHFH's model, affordable housing community located at I-24 and Harding Place. This all-Habitat community is one of the largest in the country. When Providence Park is completed in fall 2007, it will include 140 homes and a five-acre public park.

On behalf of our partner families, board of directors, volunteers, and staff, thank you for your generosity that enables us to consistently rank in the top 1% of all Habitats in the United States. Again, we appreciate your leadership as a NAHFH house sponsor.

Gratefully,

Chris McCarthy
President and CEO
