Dear David:

On behalf of the students, parents and faculty of Shayne Elementary School, we want to thank you for your \$500 donation toward technology. We will use your donation and the donation from Carbine Development to purchase a new computer for our school. Your donation will be recognized on the computer and in our PTA newsletter, which goes home to each parent.

This donation will allow us to continue to provide our neighborhood children with a competitive advantage and to enhance their classroom instruction.

We sincerely appreciate your donation and involvement.

Thank you,

Debbie L. Brown, Principal

Suzie Lindsey, Technology Committee
